Samaiden Announces Strategic Collaboration with MBGB to Advance Clean Energy Initiatives in APAC Region*Partnership Aims to Catalyse Renewable Energy Projects within the Mining Sector, Leveraging Combined Expertise and Resources for Sustainable Growth*

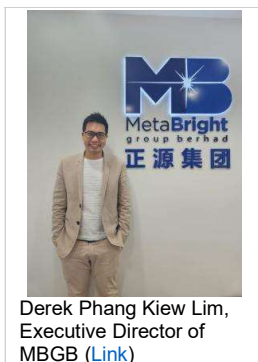

PETALING JAYA, 26 SEPTEMBER 2023 – Samaiden Group Berhad ("Samaiden"), a renewable energy ("RE") specialist principally involved in engineering, procurement, construction, and commissioning ("EPCC") of solar photovoltaic ("PV") systems and power plants announces a strategic partnership with **Meta Bright Group Berhad** ("MBGB"). This collaboration aims to expand business opportunities and accelerate the growth of renewable energy solutions, particularly for the mining sector within the Asia-Pacific ("APAC") region.

The collaboration aims to establish a strategic relationship focused on mutual advancement in the clean energy sector. Leveraging the unique capabilities and resources of both Samaiden and MBGB, the partnership will introduce standardised procedures to assess financial, technical, and regulatory aspects, catalysing growth in renewable energy initiatives in the **APAC mining sector**.

Samaiden brings to the table its extensive knowledge and expertise in clean energy technology and comprehensive EPCC services. MBGB, on the other hand, will contribute its own insights into clean energy technology and resource optimisation. Together, they plan to jointly develop clean energy projects that will serve the mining sector across the APAC region.

Group Managing Director of Samaiden, Ir. Chow Pui Hee stated, "This partnership signifies a milestone in Samaiden's ongoing commitment to renewable energy. Coupling the expertise of both Samaiden and MBGB, we are confident that this collaboration will establish a stronger and more sustainable energy landscape throughout the APAC region."

Executive Director of MBGB, Mr. Derek Phang Kiew Lim said, "We are excited to enter this partnership with Samaiden, one of the leaders in the renewable energy space. This collaboration aligns with our commitment to sustainable energy solutions and opens new avenues for both companies in the rapidly evolving APAC clean energy market."

ABOUT SAMAIKEN GROUP BERHAD

Samaiden Group Berhad ("Samaiden"), through its subsidiary is a renewable energy ("RE") specialist incorporated in 2013, principally involved in engineering, procurement, construction, and commissioning (EPCC) of solar photovoltaic (PV) systems and power plants. Samaiden Group's other activities include the provision of RE and environmental consulting services, as well as operation and maintenance (O&M) services.

ABOUT META BRIGHT GROUP BERHAD

Meta Bright Group Berhad ("Meta Bright") and its subsidiaries (collectively "the Group"), is involved in the hospitality business with the renowned four-star hotel Grand Renai in Kelantan. The Group is also involved in investment properties and property development, currently focusing on its Damai Project in Sabah. In addition, the Group has recently diversified into the energy industry as a Registered Solar PV Investor (RPVI), and the financing and leasing business, aligning with its strategy to enter into sustainable business activities to further grow the Group. This diversification follows the successful turnaround of the Group's existing hospitality businesses, as a result of new management's relevant business expertise. The Group will continue to build on their core competencies while actively exploring various profitable business adjacencies to strengthen the Group's earnings.
